

HKU Student Residences Lung wah st, Kennedy town

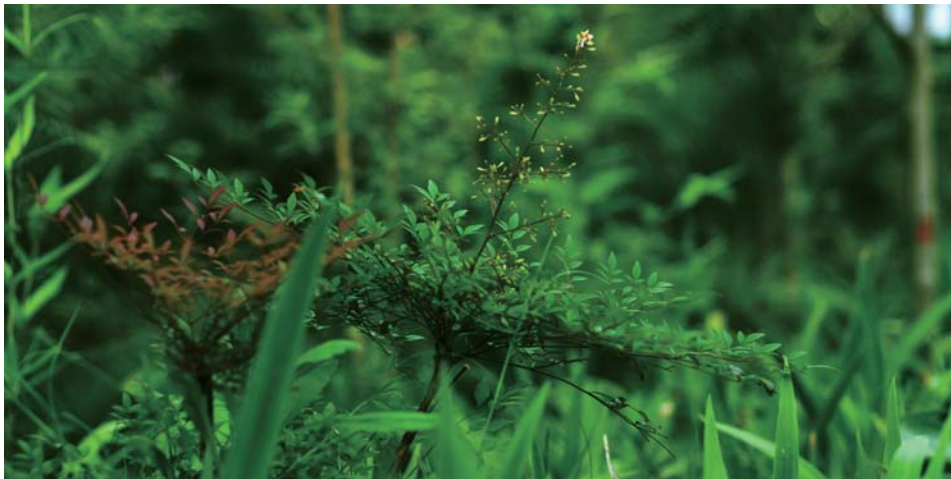

hong kong

香港大学学生宿舍
坚尼地城龙华街
香港

**client: hong kong university;
cys architects**

full design consultancy for a new public open space and communal areas for university students. with a focus on environmental sustainability, the design includes utilisation of collected site rain water for irrigation and a solar beacon for powering general area lighting as well as irrigation pumps.

客户:香港大学
cys建筑设计

为一个全新的公共和交互的区域做全面的设计咨询，供大学生使用。设计强调环境的可持续性。可持续性设计包括利用雨水收集进行灌溉以及使用一个太阳能塔为一般区域照明和灌溉泵供电。
