关于BWPI

WE ENVISION TOMORROWS WORLD

...conceiving and delivering a creative and unique range of visionary design and management solutions to planning, landscape, environmental, engineering and architectural construction problems.

WHY ARE WE SPECIAL?

- we focus on unusual and problematic situations of complex change;
- we work in both rural and urban environments;
- we always provide creative solutions.

HOW DO WE WORK?

- we partner with a think-tank of dynamic worldwide experts in adjacent fields;
- we form outstanding teams to undertake formative research and employ cutting edge design solutions, underpinned by statistical analysis;
- we develop project specific approaches and engage with stakeholders to find common benefits to change.

WHATS OUR VISION?

to help shape a diverse and quality living environment for all, based on adaptive technological solutions and traditional understanding.

"The solution is a journey, not a destination."
“解决方案不是终点，而是行进的旅程。”

我们展望未来世界

在建筑、景观和室内项目的起始和预算制定阶段，我们会提出初步构想、概念设计和改进设计，以交付客户。

我们注重

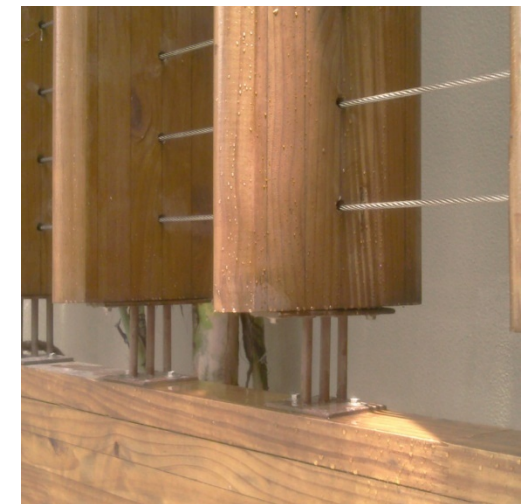

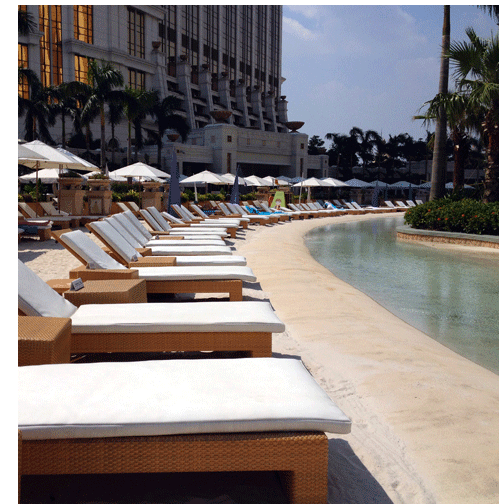

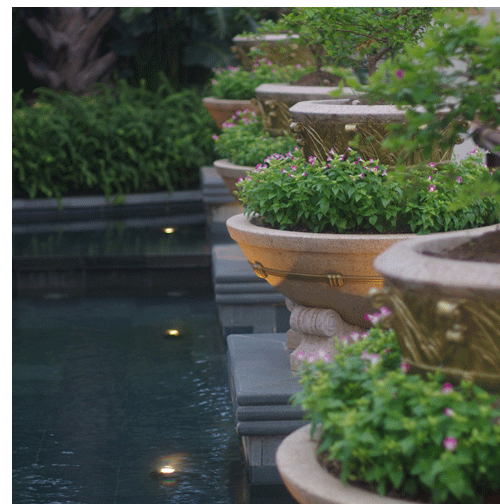

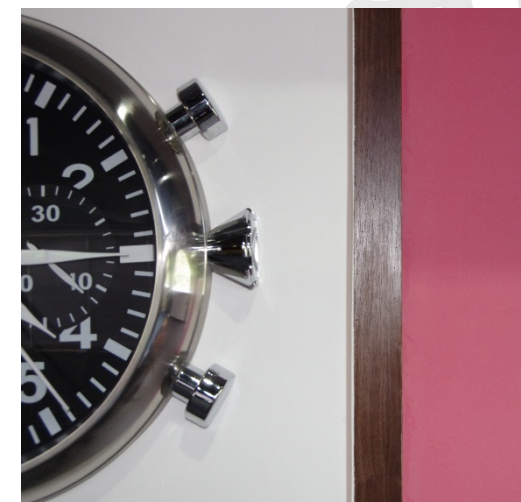

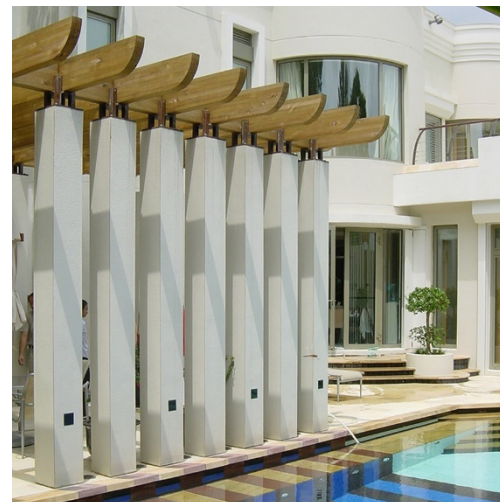

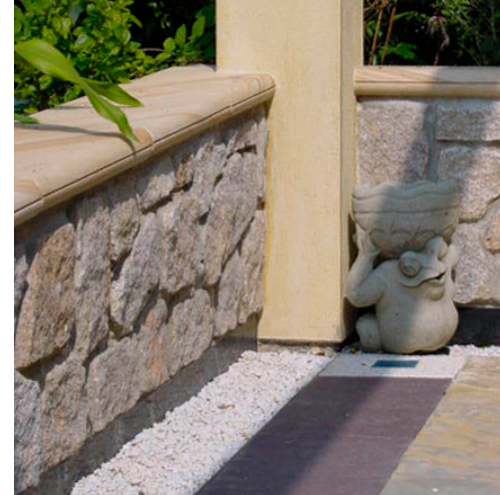

- 可行性研究；
- 项目早期的参与；
- 资金、规划、审批等流程；
- 监督实地建设，保证高品质的成果。

我们能够理解本地的、传统的建筑风格和技术。

我们专注于通过**创新、可持续、经济**的材料和方法构建空间。

我们将客户的目标置于首位，亦能认识到所有利益相关人士的**需求和愿景**。

我们的业务不局限于任何特定的领域，不论是建设低成本的大规模住宅，还是豪华的度假胜地，我们都能获得成功，并深深以此为傲。
